US Bank And Land Home Financial Services Master Servicer

Provides information on acceptable loan products, delivery and funding, receives all first mortgage files, reviews first mortgage files, notifies lenders of first mortgage file exceptions, approves first mortgage files, purchases pools and delivers loans, delivers certificate.

PROGRAM PRODUCTS

PLEASE NOTE THAT RATES AND ASSISTANCE AMOUNTS ARE SUBJECT TO CHANGE AT ANY TIME. With respect to reserved loans, the rate and assistance will not change as long as loans are delivered according to the timetable included in this Guide. Refer to the Rates Tab on the IDA's web page in the eHousing system for current rates. The CAFA Bond program offers FHA, USDA-RD, VA (Effective with new loan reservations 9/27/24 and after conventional loans are no longer offered).

DAILY RATE LOCK AVAILABILITY

Reservations in this program are available Monday - Friday 9:00 a.m. - 7:00 p.m. Central Time excluding holidays. Current rates are available online within the system, [click on this link](#) to view the rates/offers.

CAFA BOND FIRST MORTGAGE

The borrower receives a 30-year, fixed rate, fully amortizing first mortgage loan with 360 level monthly payments as well as an assistance payment equal to 5% of the total note amount to apply toward down payment or closing costs and pre-pays. Current rates are available online within the system, [click on this link](#). Income limits apply. 5% assistance is effective with new loan reservations 09/27/24 and after for ALL qualified buyers.

(Rev. 09/26/24)

CAFA ASSISTANCE 10-YEAR FORGIVABLE SECOND MORTGAGE

The terms for the second mortgage are the exact same for CAFA Bond First Home and the CAFA Bond Hometown Heroes. The only difference is the amount of assistance.

Assistance is in the form of a 0% Interest, 10-year forgivable second mortgage. The first 60 months of the loan is not forgiven. Beginning with month 61, the assistance will be forgiven at 1/60th per month for every full month the residence remains the Borrower's principal residence. The Assistance is calculated on the total Note amount entered in the eHPortal. This amount is funded by the lender at closing and reimbursed by the Servicer upon loan purchase. The Assistance may be used for down payment or closing costs and pre-pays. While there is no cash back in the program, the borrower may be reimbursed for any overpayment of escrow. Because the Assistance is a fixed percentage, any remaining Assistance must be applied as a principal reduction. Any remaining amount of the DPA second mortgage will only be due from the borrower if the first mortgage is prepaid, refinanced or if the borrower sells, transfers or otherwise disposes of the property, including foreclosure, before the end of the 120 month period. The Assistance is reserved automatically with the first mortgage reservation. There is no additional reservation necessary.

The second mortgage may be disclosed one of two ways:

- 1) Initial and final LE and CD provided by the lender or title company (separate from the first mortgage LE and CD - the ALTA is not acceptable), **OR**
- 2) Second Loan Disclosure form signed at closing (this form is found within the eHProforms)

The second deed of trust is to be recorded after closing. No title policy is required for second mortgage. The Servicer reviews all second mortgage documents.

THE CAFA BOND PROGRAM REQUIREMENTS

All loans in this program must be FHA, USDA-RD, VA (Effective 09/27/24 conventional loans no longer offered in the program). Follow Agency and Servicer guidelines unless otherwise noted.

ELIGIBLE BORROWERS

1. Buyers and their spouse (both occupant and non-occupant spouse) must be first-time buyers (borrowers who have not had ownership interest in their principal residence in the previous 3 years). Exceptions to the first-time buyer requirement for buyers using the Veterans Exception and buyers purchasing in a Targeted Area qualifying census tract apply.
2. Mortgage loans must conform to the requirements of FHA, VA, USDA-RD AND Servicer as it relates to non-U.S. citizen applicants. Follow Agency (loan product) guidelines for DACA recipients.
3. The program considers household income (borrower, spouse and everyone 18 years of age or older who will live in the property) and must not exceed the maximum household income and purchase price limits determined by the program.
4. Buyers must live in the property they purchase as their principal residence.
5. All applicants must be considered irrespective of age, race, color, religion, national origin, sex, marital status, military status or physical handicap. This is an equal opportunity program.
6. Buyers must occupy the property purchased within 60 days of closing.
7. Contact the eHousingPlus Compliance with questions regarding eligibility.
8. To verify the first-time buyer status of the borrower, a fraud report is required. And a real property search is required for a non-purchasing spouse.

First-Time Buyer

A first-time buyer means, except for borrowers purchasing under the Veterans Exception, the borrower must have had no ownership interest in a principal residence at any time during the three-year period prior to the date on which the Mortgage Loan is executed.

VERIFICATION OF FIRST-TIME BUYER STATUS

The following evidence is required and must be included with each loan submission file (compliance file) EXCEPT for borrowers utilizing the Veterans Exception or purchasing in a Targeted Area:

A Fraud Report is required for all borrowers. Include ALL pages of the Fraud Report. The Lender must CLEARLY identify (using highlight or asterisks) the borrower property current ownership and three year history. On page one of the report, please include notation to identify the Fraud Report page number, without this identification, the file cannot be compliance approved.

A Real Property Search is required for a Non-Purchasing Spouse, in the county in which the NPS lives. The results of the search must be printed and included as part of the eHousingPlus compliance file submitted post-closing.

FIRST-TIME BUYER EXCEPTIONS

Veterans Exception

Veterans who meet the qualifications listed in this paragraph are not required to be first-time homebuyers. Congress has reinstated the Veteran's Exception provision. For this feature, "veteran" is defined as "a person who served in the active military, naval or air service, and who was discharged or released therefrom under conditions other than dishonorable.:" The Mortgagor Affidavit has a checkbox that states: *"Mortgagor or Co-mortgagor meets the requirements to qualify as a 'veteran' as defined in 38 U.S.C. Section 101 and has not previously obtained a loan financed by single family mortgage revenue bonds utilizing the veteran exception to the first-homebuyer requirement set forth in Section 416 of the Tax Relief and Health Care Act of 2006. Attached hereto are true and correct copies of my discharge or release papers which demonstrate that such discharge or release papers which demonstrate discharge or release was other than dishonorable."* Veterans would need to provide a valid DD214 that reflects a discharge status of other than dishonorable to qualify under the Veterans' Exemption.

Targeted Area Census Tracts

Identified as Qualified Census Tracts and Areas of Chronic Economic Distress (if any) which are listed below, a borrower purchasing in home in a targeted area census tract is not required to be a first-time buyer. [Click on this link to look-up the property address](#). Then compare the tract tract to the allowable targeted area census tracts listed below. If you find a match, the property is located in a targeted area. When reserving funds, choose from the TARGETED AREA rate/offering.

Per Rev. Proc. 2024-8, the following census tracts constitute the Targeted Areas for this program: (Rev. 03/04/24 Effective 02/26/24)

Minimum Credit Score

The Program requires a minimum FICO credit score, the mid score must be the minimum or above. [Click here to view the Rates/Offerings chart for the Lock Rate, FICO and DPA](#) (click on RATES/OFFERINGS tab). If an Agency (FHA, etc) has a higher minimum, follow Agency guidelines. If a participating lender has a higher minimum for other loans and wishes to require a higher minimum for loans, then lenders must use the higher minimum.

US Bank Minimum FICO - 640 FHA, USDA-RD and VA loans.

Land Home Financial Services - 620

(Revised 03/11/24)

Manual Underwriting

US Bank - Contact US Bank for manual underwriting information, [click here](#).

Homebuyer Education

All buyers (any person on title to the property) must attend an approved homebuyer education course. All borrowers, except for cosigners and non-occupant co-borrowers, are required to attend, including first-time buyers and repeat buyers. Homebuyer education must be conducted PRE-CLOSING and by HUD-approved counseling agencies including online HUD-approved non-profits using eHomeAmerica (Neighborworks based curriculum).

Two- to four-unit properties require at least one qualifying borrower to participate in a landlord education program before the note date. Any homeownership and landlord education, as applicable, required by CAFA must be completed prior to the note date and any education completion certificate must be included with the file.

Federal Recapture Tax

What is the Federal Recapture Tax?

It's a Federal Tax a Borrower may be required to pay from the net profit received from the sale or disposition of their home. If required, Federal Recapture Tax is due at the time a Federal Tax Return is filed for the year in which the home is sold, or otherwise disposed of. The maximum Federal Recapture Tax is 6.25% of the original principal balance of the loan or 50% of the net profit earned on the sale of the home, whichever is less.

Buyers obtaining a mortgage using the CAFA Single Family Mortgage Revenue Bond 2023 Program may be required to pay a Federal Recapture Tax if they meet every one of the following 3 provisions at the time of sale:

- The home is sold within the first 9 years of the purchase date, and
- A net profit is received from the sale of the home, and
- Household income at the time of sale exceeds the maximum income limit.

Borrowers are not subject to Federal Recapture Tax in the following circumstances:

- The home is transferred to a spouse, or former spouse, in connection with a divorce where no gain is included
- The home is destroyed by a casualty, and is repaired or replaced on its original site within 2 years after the end of the tax year when the casualty occurred
- The home is sold, or otherwise disposed of, as a result of the borrower’s death
- The home is refinanced – please note that refinancing does not cancel the recapture tax provision, which may still apply if the home is sold within 9 years.

Borrowers are more likely to pay Federal Recapture Tax in the following circumstances:

- Employed in a field with high growth income potential
- Income is close to the maximum income limit at the time the home is purchased
- Purchasing a home in a high housing inflation environment
- Marital status may change from single at time of purchase to married at time home is sold, or otherwise disposed of.

If Federal Recapture Tax is owed, it is not collected at the time of the sale. The Borrower(s) must complete and file IRS Form 8828 with their Federal Tax Return for the year the home is sold, or otherwise disposed of (regardless of whether the Borrower owes Federal Recapture Tax). The [IRS Form 8828](#) provides instructions to calculate and determine if Federal Recapture Tax is owed. CAFA recommends consulting with a professional tax advisor to answer Federal Tax questions.

PROGRAM HOUSEHOLD QUALIFYING INCOME

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse’s occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated). See pages 28 - 32 of this guide for income calculation guidance.

Unless otherwise directed, Lenders are responsible for assuring that loans meet the strictest of Agency (FHA, etc) and/or program guidelines with respect to income and sales price limits.

HOUSEHOLD INCOME LIMITS

To determine the number of people in the household include everyone who will live in the home as their principal residence. Effective 04/16/24

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program.

Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification.

[Click on this link to register for training.](#)

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timeline. Please do not reserve funds too soon. Wait to reserve until you are relatively sure your underwriter will approve the loan prior to reservation in the eHousingPlus Lender Portal.

RESERVE FIRST MORTGAGE FUNDS

To reserve funds, use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage that **automatically** provides Assistance. To reserve funds in the program the borrower is required to have a signed real estate purchase contract for a specific address. Lender will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully. As a reminder, the lender will provide the borrower with the LE for the second mortgage separate from the LE from the first mortgage.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must [click on this link to complete an online form the CLEAR FLAGS on a cancelled loan](#) so the funds may be re-reserved with a new address. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Updated 04/16/24)

PRINT PRE-CLOSING FORMS

Provide the borrower with the Notices to Buyers and Recapture Tax Brochure at time of reservation. The following program pre-closing forms are found in [eHP FrontPorch](#) using the eHProForms App.

- [Notice to Buyers w/Recapture Brochure](#)

eHP Tip! Need a reminder as to how to register a loan, complete the UW Certification, edit a loan or print forms? [Log-in to eHP FrontPorch](#), then click on the eHPlaylist to view a short video.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timelines.

UNDERWRITE AND CERTIFY

Lenders underwrite & are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. **Following loan reservation and PRIOR to loan closing, the Lenders Underwriter MUST complete the online UW Certification within the eHPortal.** Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, please [Log-In Here](#) > Collaboration Station and request for the underwriter certification to be removed. (Update 04/16/24)

CLOSE AND VERIFY

THE LENDER WILL FUND ALL DOWN PAYMENT ASSISTANCE AT LOAN CLOSING. Upon loan purchase, the Servicer will reimburse the lender. It's important to provide accurate closing instructions to closing agents. All program documents must be returned to the lender. It is VERY important to note, if the loan amount, purchase price or down payment assistance amount changes, and you have already printed forms, you'll need to print the forms again so the information on the form is accurate. The following program closing forms are found in [eHP FrontPorch](#) using the eHProForms App.

COMPLIANCE FILE DELIVERY INSTRUCTIONS

ASSEMBLE THE COMPLIANCE FILE

Compliance Files and Corrections to previously submitted files with erroneous or missing required documents will be managed through the **eHP FrontPorch**. This portal provides lenders with all the tools necessary to deliver the required documents for the approval of the originated loan(s) in their respective affordable homebuyer programs. **eHP FrontPorch** is a secure, easy to use and efficient way for lenders to deliver the Compliance File, Correct DEFI's and pay the required Compliance Review Fees via our **eHPay** on-line fee approval, and related tools.

To assemble the compliance file, you will need a checklist. The checklist is specific to this program and used to submit the compliance documents post-closing to eHousingPlus.

[Log-in here and use the eHProForms App.](#)

Items to be uploaded in the compliance file include:

- Discharge Papers (DD214) if Veteran using Veteran's Exception

UPLOAD THE COMPLIANCE FILE

[Log-in here and use the Digital Docs App](#) to upload the compliance file.

The Compliance File should be a PDF file uploaded upright and in a clear legible format, composed of all required documents on the Checklist. Don't upload a compliance file until everything is included in the package. The more complete the file, the quicker the review and approval, and the file AND fee must be received to start the review process. Be aware that Loans will go straight to deficient status if items are missing, or if the fee was not received or properly identified. Once you are ready to upload your documents select eHPDigital Docs and from the drop down menu click on New Upload and follow the prompts.

SUBMIT THE REQUIRED COMPLIANCE REVIEW FEE

The Compliance Review Fee may be submitted separately from the Compliance File.

eHPay is a secure, efficient method for lenders to pay the fees ON-LINE. Loans managed through eHPay are processed faster, without fee errors or other unnecessary delays. The Lenders Accounting Staff can access eHP FrontPorch and process the compliance fees payment easily via the Digital Docs App and eHPay.

Not sure of the required fee for your loan? Use the **FIND MY FEE** feature and get the instant answer by entering the eHP loan number or by Program. Compliance Files Uploaded are NOT ready for review until the Compliance Review Fee Payment has been received by eHP.

USE **PAYMENT CENTRAL** to determine any loan that may be pending fees, unidentified payments, files pending payment and short payments.

LOANS PENDING FEES lists Compliance Files that have been uploaded successfully, but whose fee payment is still pending. Lenders can monitor this area to ensure their fees have been delivered in a timely manner.

UNIDENTIFIED PAYMENTS are payments received from your company without the proper identification to apply it to the intended loan. Lenders can monitor this area to ensure that payments made are being properly identified with the eHP LOAN NUMBER.

PAID LOAN FILES lists compliance file that have been paid.

SHORT PAYMENTS If an incomplete payment is submitted, it will be displayed indicating the amount paid and the correct fee amount.

CLEAR A DEFICIENT COMPLIANCE FILE

LOAN DEFICIENCIES ARE NOT ACCEPTED VIA EMAIL.

Clearing files deficiencies is critical to your loan being approved and ultimately purchased. In the Deficient Compliance Files drop down, choose View/Upload Corrected DEFIs. This area will assist you in viewing what needs to be corrected, which documents are approved and complete, and you will have the ability to upload the correction and communicate with us in one simple area.

Is very helpful in resolving outstanding issues and having broader visibility for all of your post-closing staff who may need to work on resolving these discrepancies.

Please make sure that you're shipping and post-closing staff is very familiar with this area.

Remember your loan can't be approved without standing deficiencies.

EHP COMPLIANCE APPROVAL

Following approval of Compliance File by eHousingPlus, lenders are notified and reminded of the purchase deadline. The Servicer is notified and the file may be approved for purchase.

PROGRAM TIMETABLE

Buyers MUST HAVE A FULLY- EXECUTED SALES CONTRACT FOR A SPECIFIC PROPERTY in order to have funds reserved or be on a waiting list. The contract may be dated prior to the date of the loan application. Buyers may be pre-qualified. However, if the buyer does not have a contract on a property, program funds cannot be reserved for the buyer until such time as the buyer presents a valid contract. To assure that loans are purchased, please follow the Processing, Delivery and Purchase Timetable below. Please DO NOT reserve loans that cannot meet the timetable.

If the loan is not underwriter certified PRIOR to the loan closing, the loan is subject to cancellation. eHousingPlus notifies Lenders via email that the loan may be canceled if the underwriter certification is not completed. If the closing date is extended, please change the closing date in the eHPortal. If your underwriter needs additional time to complete the certification, just email eHousingPlus and ask that a Note be added to the file so the loan does not cancel. Should the loan reservation be canceled at any point during the reservation, the issuer may allow the loan to be reinstated at the higher of the mortgage rate originally reserved or the current program mortgage rate.

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be:

- Underwriter Certified PRIOR to loan closing
- Purchased within 60 days of loan reservation*

* 60 days is from reservation to loan purchase by the servicer (this means the loan file closed, received compliance approval and is purchased by US Bank).

Loan Processing, Delivery and Purchase Timetable

Once a loan is reserved in the eHousingPlus system and is provided the Servicer's Loan number, the loan must be

- (1) underwriter certified ANYTIME prior to closing
- (2) purchased within 60 days of loan reservation.

Loan Purchase Extension Fee

Loans purchased after the maximum delivery date are subject to re-pricing costs and possible late purchase fees. These costs will be netted from the Participating Lender's SRP at loan purchase. ***Loans delivered to Servicer that have been Underwriter Certified but not purchased by day 60 will NOT be cancelled. Loans that are not delivered by the maximum delivery date (60 days), however, are subject to cancellation.***

Any loan not purchased within 60 days will automatically receive a purchase extension. There is a fee that is separate from any re-pricing cost that may apply if lender delivers loan with incorrect rate or if lender's loan is purchased past the delivery deadline or after extension was requested then expired

Extension Fees (to extend reservation or "lock"):

7 DAY EXTENSION	.06250 PTS
15 DAY EXTENSION	.12500 PTS
22 DAY EXTENSION	.18750 PTS
30 DAY EXTENSION	.25000 PTS

Extension Fees may be charged to party causing closing delay and should reflect on closing disclosure accordingly. However, this fee will be netted from Participating Lender at loan purchase by the Servicer.

PROGRAM FEES

Origination/Discount Fee

First Mortgage Fees

Origination points and zero discount fees may NOT be charged in the program.

eHousingPlus Fee

The program includes a first mortgage Compliance/Admin Fee of \$300 and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

CALCULATING INCOME

Program qualifying income considers the income of borrowers and their spouses (regardless of spouse’s occupancy of the primary residence and whether or not a party to the loan) AND all household members 18 years of age or older (related or unrelated). When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year’s earnings total, if available, (or provide documentation and explanation to support not using the prior year’s earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.
