

## Home in Five Platinum Program

### Homebuyer Education

All borrowers must attend an 8-hour homebuyer education course through an approved housing counseling agency located within Arizona and obtain a certificate of completion. The homebuyer education course may be in-person or on-line. Upon completion of an online class, homebuyers must provide their lender with a co-branded certificate (see tip below for multiple borrowers) with the local agency's name and/or logo.

Approved Online Homebuyer Education Courses:

[Administration of Resources and Choices \(ARC\)](#)

[Money Management International](#)

[Newtown CDC](#)

[ACCE's Make Your Move with Take Charge America](#)

[Trellis](#)
