

## **Pima-Tucson Lighthouse Program**

### **Homebuyer Education**

All borrowers (any primary borrower on the Note/Warranty Deed) must complete a homebuyer education course (co-signers do not attend homebuyer education) offered by Family Housing Resources via the eHomeAmerica web site. This is the only acceptable homebuyer education course and no other courses will be accepted. **This is effective with all loan reservations 07/18/24 and after.**
