THE PRODUCTS

HOME KEY FIRST MORTGAGE LOAN

The HFA of Pinellas County Home Key Program is a multi-county program. Loans may be originated in Pasco, Pinellas and Polk counties. All Home Key Mortgage Loans shall bear a fixed rate of interest, have level payments and be fully amortizing over a 30 year term. All Home Key Mortgage Loans must be insured or guaranteed by FHA, VA, RD or Freddie Mac HFA Advantage Conventional Loan. Check with U.S. Bank for specific allowable loan products.

Mortgage interest rates and amount of down payment assistance may be changed at any time by the Issuer at its sole discretion. The Issuer's published interest rate on the date a loan registers a Rate Lock is a firm interest rate for that loan and cannot be changed by the Lender or by the Issuer. [Click here to view the Rates/Offerings chart for allowable FICO, Lock Mortgage Rate and DPA.](#)

Freddie Mac HFA Advantage Conventional Loan - Income at or below 80% AMI

These loans will have lower income limits (determined by Freddie Mac and already calculated in this guide) and receive charter level reduced MI coverage. (Added 06/04/21)

Freddie Mac HFA Advantage Conventional Loan - Income OVER 80% AMI

Effective with new loan reservation 01/17/23

These loans will receive standard MI rates, no Charter Level Reduced MI coverage. (Added 01/13/23)

HOME KEY PLUS SECOND MORTGAGE DOWN PAYMENT ASSISTANCE

The second mortgage currently at 0% (subject to change at any time) may ONLY be used with the HFA's 30-year fixed rate first mortgage noted above. Available for borrower's purchasing a home anywhere in Pasco, Pinellas and Polk Counties. If a borrower qualifies for the HFA of Pinellas County First Mortgage, they will automatically qualify for a second mortgage in an amount to be determined by the Issuer.

Pinellas County: \$12,000 (\$15,000 prior to 03/15/23)

Pasco County: \$8,000 (\$10,000 prior to 03/15/23)

Polk County: \$8,000 (\$10,000 prior to 03/15/23)

Assistance amounts effective with new loan reservations 03/15/23.

Assistance may be used for down payment (more than 3-1/2%), closing costs, reimbursement of prepaids. If there are funds remaining at closing, they must go to pay down the first mortgage. This loan is never forgiven.

Funding of the HFA's Home Key Plus Second Mortgage - At closing the Lender will fund the second mortgage. At loan purchase US Bank will reimburse the Lender for the second mortgage funds. Lenders must use the program second mortgage/note showing the HFA as the mortgagee. This affects the use of the proceeds. With the HFA as the mortgagee, the funds may be used toward FHA's borrower minimum contribution. The Authority provides an Authorized Draw Letter in response to FHA ML 2013-14. Both

obligate the Authority's funds to provide the borrower with down payment assistance toward the borrower's minimum cash investment. The Draw Letter is accessed for Closing following submission of the Underwriter Certification and is found in [eHP FrontPorch using the eHPro Forms App](#). The letter includes distribution instructions at the bottom.

PROCESS SUMMARY FROM TRAINING TO LOAN PURCHASE

LENDER ONBOARDING

Our On-Boarding process is designed to provide all participating lenders and their staff web-based training related to the Program, Technical and Workflow requirements of each program.

Based on your role, there are certain training requirements prior to adding a new Program and Features. These are determined based on which modules you have completed in the past, and which Programs you want to add to your Portfolio.

Once you have submitted the eHP On-Boarding Registration, the eHP On-Boarding Team will create a specific training program for you based on the role(s) you selected, and you will receive an email confirmation with relevant information. Upon completion, your User Credentials will be created (if you are new User) or updated (if you are a current user) and you will receive a system generated email with this notification. [Click on this link to register for training.](#)

QUALIFY

Lenders use program requirements to qualify applicants for the program. Buyers must present an executed sales agreement before being entered into the program reservation system.

PROCESS

Lenders process the loan as they would normally keeping in mind the program timeline. Please do not reserve funds too soon. Wait to reserve until you are relatively sure your underwriter will approve the loan within 15 days of reservation in the eHousingPlus Lender Portal.

RESERVE FIRST MORTGAGE FUNDS

Reservations cannot be made more than 20 days prior to closing.

To reserve funds use the [eHousingPlus eHPortal](#). Log in and reserve the first mortgage. To reserve funds in the program the borrower is required to have a signed real estate purchase contract for a specific address. You will need a 1003 and the Real Estate Purchase contract in order to make a reservation. If the reservation is successful, you will receive a loan number and a message that you've completed the reservation successfully.

IMPORTANT - A reservation is for a borrower with a real estate purchase contract for a specific property. If the property needs to change, the loan must be cancelled and re-reserved. The lender is responsible for cancelling the loan within the eHousingPlus Lender Portal. And then, the lender must [click on this link to complete an online form to CLEAR FLAGS on a cancelled loan](#) so the funds may be re-reserved with a new address. Until this process is complete, the lender will not be able to re-reserve funds for the borrower. (Updated 05/08/24)

PRINT PRE-CLOSING FORMS

Provide the borrower with the Notices to Buyers and Recapture Tax Brochure at time of reservation. [Log-in here and use the eHProForms App](#) to print the following pre-closing forms:

All fields will populate except for the second mortgage loan amount. Enter the loan amount and then click on the “Update” button to add the second mortgage assistance to the first mortgage loan reservation.

UNDERWRITE AND CERTIFY

Lenders underwrite and are responsible for credit decisions of the loans in the program. Servicer does not re-underwrite loans. Following credit approval AND anytime prior to closing, the Underwriter completes the online Underwriter Certification within the eHPortal. Once a loan is Underwriter Certified no further changes can be made. If a change needs to occur after the certification is complete, please [Log-In Here](#) > Collaboration Station and request for the underwriter certification to be removed. (Updated 05/08/24)

CLOSE AND VERIFY

THE LENDER WILL FUND ALL DOWN PAYMENT ASSISTANCE AT LOAN CLOSING. Upon loan purchase, US Bank will reimburse the lender.

It's important to provide accurate closing instructions to closing agents. All program documents must be returned to the lender. It is VERY important to note, if the loan amount, purchase price or down payment assistance amount changes, and you have already printed forms, you'll need to print the forms again so the information on the form is accurate. The following program forms are found within [eHP FrontPorch](#) using the eHProForms App.

Welcome to the Next Generation of eHousingPlus© Solutions

eHP FrontPorch Helpful Tips

Our new eHP FrontPorch graphical menu lets you access all apps and tools with one click. These apps were designed to assist you with the program requirements and workflow. In addition, eHP FrontPorch introduces new innovative tools such as Collaboration Station, Quick Tips, the eHPlaylist, and the Alerts and Notifications area. These NextGen Lender Platform tools have been designed to help you complete your tasks quick and easy.

eHProForms

eHProForms is our newly designed forms generation app where a lender will access all program related documents. Using a search feature to quickly access the loan file, it provides all of the program forms that are required for your specific loan.

The forms are now organized by purpose leading with compliance related forms which will be part of the compliance package you sent to eHousingPlus, the closing second lien assistance and other similar forms you will submit to the servicer and their package and two additional areas for special forms and documents that may apply to your loan. The forms instantly generate from your loan record so it's essential to make sure that you review the information for accuracy.

If something needs to be updated you can log into the eHPortal, edit the loan and you come back to eHP FrontPorch and regenerate the forms.

It is easy and you can create forms as many times as you need with just one click.

If your loan record has not been updated, your loans will be incorrect, and your file will be placed in deficient status.

Clicking the waffle menu at the top of the page is an easy way to get back to the main menu.

eHP Front Porch Helpful Tips

Collaboration Station

Collaboration Station creates a history of any issue that has been communicated regarding a specific loan and provides certain status alerts.

In collaboration station you can create a note to save to the loan file or you can send a message to anyone in our compliance team.

Click the message icon and a menu of eHousingPlus staff will appear at the top with their role for you to make the appropriate selection. You may include your team members who have user credentials to eHP FrontPorch that may assist in expediting solutions for your loans.

In Collaboration Station, you can also find the Servicer notes and exceptions that need to be addressed with them. By providing this view to you it gives you transparency to any problem that has to be resolved related to the mortgage or collateral submitted to the Servicer.

This view can be grouped, filtered, searched, and exported.

The last area on the notification panel (world icon) is made available to help you navigate to any of the program pages, guidelines, eHPUniversity and to view eHP News.

PROGRAM TIMELINE

It is extremely important that lenders are familiar with the timetable established for this program. There are **60 DAYS FROM THE DAY THE LOAN IS RESERVED UNTIL ALL EXCEPTIONS ARE CLEARED AND THE LOAN PURCHASED BY THE SERVICER**. Again, the entire process must take place within 60 days of the day the rate is locked in in the Administrator's system.

Loan Reservation/Rate Lock

Reservations cannot be made more than 20 days prior to closing.

("Rate Lock Date") Reservations in the eHousingPlus eHPortal require that an applicant has:

- (a) placed an eligible residence under contract
- (b) completed a loan application with a Lender
- (c) provided a Lender with all documentation required by the Lender including relevant federal income tax returns.

Underwriter Certification

Effective with new loan reservations Oct. 5, 2022 and after, ANYTIME prior to closing the Lender's underwriter must complete an online Underwriter Certification. This step must be accomplished prior to loan closing. (Rev. 10/04/22)

Loan Closing Confirmation

No more than 20 days from the Rate Lock Date and on the day of Closing, Lenders must confirm the "Loan Closing Date" by entering the date into the Program Administrator's System.

Loan Purchase within 60 days of reservation/rate lock.

All loan files must be cleared of any exceptions, the Compliance File must receive Compliance Approval and the Mortgage Loan deemed eligible for purchase by the Master Servicer within 60 days of the Rate Lock Date.

Lenders have a total of 40 days from loan closing to deliver a file, clear exceptions and have a loan purchased by the Servicer. Lenders may determine the number of days from closing to delivery with the understanding that all loans must be purchased by the Servicer on or before the 60th day from Rate Lock Date. Lenders must commit to the number of days for all their loans by completing the blank in Exhibit B and simultaneously notifying the Program Administrator. **EXAMPLE:** If a lender determines that they can deliver loans within 10 days of closing, they will add 10 days to the 20 days to closing for a total of 30 days from Rate Lock Date. They will then enter 30 into the blank in the "File Delivery" paragraph.

Loans not meeting the timetable will cancel.

Loan Purchase Extension

1. Any loan not purchased within 60 days will automatically receive a one-time only 30-day extension.
2. An extension fee of \$375 will be assessed for any loan not eligible for purchase within 60 days. (Rev 07/19/21)
3. Mortgage Loans that are late for purchase and not delivered within the authorized extension period will be cancelled.
4. The extension is offered once per loan and no further extensions will be allowed.
5. Furthermore, any loan not purchased within the approved timeframe may become the liability of the originating lender, including any down payment assistance provided at closing.

Program Final Purchase Date: 01/01/25

PROGRAM FEES

Origination/Discount Fee

1.00% may be charged and retained by lender as ORIGINATION FEE OR DISCOUNT FEE OR a combination of both BUT may not exceed 1.00% in total.

eHousingPlus Fee

The program includes a first mortgage Compliance/Admin Fee and a penalty fee of \$100 for files that are chronically deficient. The Compliance/Admin Fee is collected at closing, payable to eHousingPlus and submitted with the Compliance File. The Compliance/Admin Fee is submitted with the Compliance File via eHP [FrontPorch using the eHPay App](#).

\$300 - HFA of Pinellas County HomeKey Program Loan

The **Compliance/Admin Fee** is the fee charged by the Program Administrator/Compliance Agent to process the applicant/borrower from Origination to Compliance Approval, and to assess that the lenders originating such loans are following Program guidelines for the benefit of the eligible borrower(s). The Program Administrator/Compliance Agent tracks the loan via its web-based system, and assists the lender in processing the loan ensuring eligibility to the program available offerings, which can include various rate options, and down payment assistance.

The Compliance/Admin fee includes the review of information and documents delivered in the form of a Compliance File by the originating lender, on behalf of the borrower. Additionally the Compliance review verifies that the lender has charged only the fees allowed by the Program. Contrary to this, approval may be denied and/or fees may have to be reimbursed to the borrower. The compliance file processing consists of required affidavits, application, closing documents, certain non-mortgage documents, tax returns where applicable and other pre-defined Program documents that are disclosed to the potential borrower(s). This is required to ultimately receive Compliance Approval. These documents can support both the first mortgage and any down payment assistance available, and are required to ensure eligibility to the Program, Federal, State and Local requirements, where applicable. The Compliance review verifies that the data and documents submitted meet all requirements, and may include those for first-time homebuyer, income limits, sales price limits, targeted areas, homebuyer education, rate, term, points, fee limits, LTV, FICO score, special state, city, county program requirements for qualified military, first responders, teachers, etc.).

Tax Service Fee

\$84 Tax Service Fee.
(Rev 07/17/22)

Funding Fee

\$400 should reflect as "Investor Funding Fee" on the LE/CD.

Lender Fees

As of January 28, 2019 the Home Key Plus Second Mortgage Application Fee of \$75 may no longer be charged by the Lender. To the extent permitted by such guidelines, Lenders are permitted to charge an up-front application fee not exceeding the actual cost of the appraisal and credit report. Lenders are permitted to charge reasonable and customary charges for out of pocket expenses and costs. Other financing costs such as legal fees and underwriting fees may be charged and courier fees may be charged if such fees are normally charged. Lenders may charge the usual and reasonable settlement costs. Settlement costs include titling and transfer costs, title insurance, survey fees or other similar costs. Other allowable fees include doc prep fees, notary fees, hazard, mortgage and life insurance premiums,

recording or registration charges, prepaid escrow deposits and other similar charges allowable by the insurer/guarantor. "Junk" fees are not a defined term and may not be charged. Realtor Commission is not permitted to be paid with the Housing Finance Authority's down payment assistance funds. Realtor fees in addition to commission, such as Realtor transaction fee, Broker admin fee are not permitted. Lenders receive a net amount when the Servicer purchases a program loan.

Lender Compensation

In addition to normal, customary, reasonable fees, Lenders receive compensation of 2.50% (1.00% origination/discount and 1.50% SRP credited by U.S. Bank at loan purchase).

COMPLIANCE INCOME CALCULATION

When calculating Program Eligibility Income, there are two types of income to consider – income from an employer and income from all other sources. **Include all income unless specifically listed as excluded in this guide.**

Part 1 – Calculating Income from an Employer

Determine whether the Borrower receives **base pay only** or a combination of **base pay and additional income** from an employer.

Calculate “Base Pay from an Employer”

Regular Hours/Pay

1. Determine frequency of income - weekly, bi-weekly, semi-monthly, etc.
2. Identify documentation needed to support payment frequency and calculation.
3. Apply Calculation - *(Base Wage x Hours Worked in a Pay Period) x (# of Pay Periods Per Year)*
4. This should approximate the annualized YTD on VOE or paystubs. If not, check for additional pay, such as overtime, bonus, shift differential, etc. (Employers don't always break this out on the VOE).
5. See additional guidance on calculating base pay from an employer.

Hourly pay	Bi-weekly pay	Semi-Monthly pay
Multiply the pay per hour by the number of hours worked per week. Multiply total by 52 weeks a year.	Multiply the bi-weekly pay by 26.	Multiply the semi-monthly pay by 24.
<i>Example:</i> 1. \$15 per hour x 40 hours a week = \$600 2. \$600 x 52 weeks a year = \$31,200 3. \$31,200 / 12 = \$2,600 gross monthly base pay	<i>Example:</i> 1. \$1,200 every two weeks x 26 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay	<i>Example</i> 1. \$1,300 semi-monthly pay x 24 pay periods a year = \$31,200 2. \$31,200 / 12 months = \$2,600 gross monthly base pay

Irregular Hours/Pay

1. Annualize YTD Earnings total.
2. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.) Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get total average pay from an employer.
3. See additional guidance on calculating base pay from an employer.

Calculate “Additional Pay from an Employer”:

1. In the Earnings section of paystub or VOE, look for additional income earned that is not included in **base**. (Sick, vacation, holiday, etc. is generally included in **base**.)
2. Add up all additional income that is included in the YTD Earnings Total and not part of **base**.
3. Average prior year's earnings total, if available, (or provide documentation and explanation to support not using the prior year's earnings.). Divide the resulting number by the number of months and days worked, and then multiply that number by 12 months to get an average of **additional pay from an employer**.
4. See additional guidance on calculating additional pay from an employer.
