

Tulsa County Home Finance Authority First Home Program

Homebuyer Education

All buyers (any person on title to the property) must attend an approved homebuyer education course. All borrowers, except for cosigners and non-occupant co-borrowers, are required to attend, including first-time buyers and repeat buyers. Homebuyer education must be conducted PRE-CLOSING and by HUD-approved counseling agencies including online HUD-approved non-profits using eHomeAmerica (Neighborworks based curriculum).

Online approved education providers:
